## Transaction Support Services

### **We'll help you come out ahead.**

We cover every angle of the transaction: from document review to deal room management to due diligence support. In short, we handle all the little things that come with any big deal. And with our efficiency, we'll always work to reduce total transaction costs.

### **Project Example:**

**Client:** FTSE 100 Company, divesting a subsidiary by way of a share sale transaction

**Problem:** Needed to reduce transaction costs without compromising on quality.

**Result:** A team of seven lawyers completed the transaction review within six business days, reducing the cost of the project. Client has since partnered with CPA Global on further transactions.
